FOUNDATIONS & INSCRIPTIONS

Charges in New Mt. Zion Cemetery for foundation installations will be based at the rate of \$2.00 per superficial square inch. This method will be the basis of determining the price of any monument or marker whether granite or bronze. Where bronze plaques include vases and require special recesses for their installations, there will be an additional charge of \$66.00 for each grave. All bronze will be set by the cemetery. Corner posts will be set by the cemetery only @ \$82.00 per post. This charge includes the 10% for the Maintenance and Preservation Fund. Foundations for mausoleums or crypts are based at the same rate with possible additional charge for forming or special arrangements for joining or builders specifications.

There will be a \$110.00 fee for inscription work.

Prices subject to change without notice
